

Pasture Resilience in Action

From science to practice

5-6 November | 8:30 - 17:00

F. Ciências ULisboa and Companhia das Lezírias

November 5 | F. Ciências ULisboa

8:30

Welcome

9:00

Opening

Luís Carriço | FCUL

9:15

Ensuring dryland resilience at the brink of collapse

Miguel Berdugo | UCM

10:00

Tools for improving productivity, diversity and quality of pastures

Panel moderator

José Pedro Fragoso de Almeida | IPCB

Maria Espírito Santo | FCUL

Alexandra Oliveira | FCUL

10:45

Coffee Break

11:00

Biodiversity and Ecosystem Services in Pastures

Julieta Costa | SPEA

Jorge Palmeirim | LPN

Pedro Vaz | FCUL

Alice Nunes | FCUL

12:30

Lunch

14:00

Threatens and challenges related to pasture resilience

Panel moderator

Maria Bastidas | ADPM

Teresa Carita | INIAV e CCPE

Nuno Guiomar | UÉvora

Ana Paula Portela | FCUL

15:15

Coffee Break

15:30

From science to practice

João Madeira | Farmer

Diogo Pinho | Farmer

José Azoia | Farmer

16:15

From science to policy

Panel moderator

Cristina Branquinho | FCUL

Cláudia Gonçalves | CAP

Olga Moreira | CNCACSA

João Madeira | Farmer

November 6 Program

November 6 | Companhia das Lezírias

9:00
Welcome

9:30
Field Visit: Stronger Pastures for a Changing Climate

12:00
Lunch

14:00
Workshop

From knowledge to practice: effective adaptation and mitigation measures in pastures

Eva Ramos | CONSULAI
Maria Pereira da Silva | CONSULAI
